GLÜCKLICH

Association for more appreciation of food

RESTLOS GLÜCKLICH e.V.

encourages a more conscious food consumption and the reduction of food waste. That's why we cook creative and delicious dishes with surplus food that otherwise would be wasted. In our cooking classes and educational workshops people of all ages have the opportunity to get creative with leftovers and to appreciate the value of one of our most treasured resources – that is food.

EDUCATIONAL PROJECTS

In our workshops and cooking classes we offer an innovative approach on how to prepare dishes with surplus food and show you how to get the most out of your fruit and vegetables, thus fostering a more sustainable food consumption.
